Bowling is one of the most popular sports in the world. One of the reasons for its popularity is its adaptability: children and adults of nearly every ability level can participate, and it can be enjoyed as a leisure, recreational and social activity or as a competitive opportunity. Bowling is a lifetime fitness sport which contributes to balance, coordination and motor skills. Bowling is able to fill the needs of so many people because it is, above all, a simple game!!

The Lanes at Sea Girt will be offering open lanes to the public 7 days a week. If you are interested in bowling just for fun, then open lanes is for you!! Or if you would like to join a competitive team, do not hesitate to sign up!!
