

WALL RECREATION PRESENTS:

Grease is the all-American musical based on the sub-cultures of high school life in the 1950's. The show takes place at the hyperactive Rydell High School, where Danny Zuko fronts his gang-the raucous T-Birds-who romance their sassy female equivalents-the Pink ladies. When good girl "good girl" Sandy Dumbrowski arrives in town, the pink ladies take her under their collective wing.
