

YEEHAH! This Summer

PonyShare is coming to WALL RECREATION ! ☺

Co-sponsored by the WALL RECREATION DEPARTMENT

following last year's overwhelming attendance, Equishare USA, LLC. is proud to present its popular

 (Pony Grooming & Riding Program for 7yo-11yo) 1.5hr/day

As well as its newly designed...  (Petite Equestrian Program for 3yo-6yo) 1hr/day

These unique 5-day Programs provide an exciting and inexpensive introduction to the wonderful world of equines in a fun-filled, non-threatening atmosphere. PonyShare uses ponies and cobs, smaller and easier to handle than their larger equine counterparts. *Small groups of 4-5 children are formed according to age and prior experience –if any.* After reviewing safety rules, material previously covered and learning a new subject matter, participants are assigned their size-related pony or cob and each small group works under the tutelage of a qualified and motivated Counselor. Some of the horsemanship matters covered may include: *Safety on and around horses, Basic Anatomy, Equine Senses & Body Language, Grooming, The Tack and Harness, Driving the Miniature Horse, English and Western styles, Barn Management and Careers in the Industry.* Participants also get to shortly ride or drive their charges 3 to 4 times each Session. This Program enhances team work, self-esteem and camaraderie while helping develop a genuine appreciation and respect for the animals. Course Materials are provided. PEP Program is shorter and better geared to the younger participants. Mothers are welcomed to participate in the PEP. A winner by many...*furlongs*, either Program tends to book early. The second offerings of these Programs (PG&RP2 and PEP2), while still being suitable for new participants, tend to kick up the pace a notch and are perfect for returning / slightly experienced participants or those who prefer learning at a slightly faster pace. *Space is limited. Register today!*

In case of adverse weather, PonyShare will either make up the time or provide the participants with credit vouchers.
